

## The South Florida CFI

This seminar is designed to examine and enhance the quality of Flight Instructors in the South Florida area. We will do this by exploring recent incidents involving flight instruction and discussing options available to mitigate those risks.

**Directions:** Take Florida Turnpike to SW 120th St westbound. Left onto SW 137th Avenue, then Right on 128th St into Tamiami Airport. Building is on the south side

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
